

**Foodsharing points
as a community solution
against foodwaste.**

**Have you ever wondered,
what happens to food
after the conference like
the one held today?**

**What if we had
a surplus,
that does not fit
to any categories of
the food/charity
institutions?**

**What if we need
to rescue food
right here right now?**

- ✓ **without the procedures**
- ✓ **without the specific timeline**
- ✓ **without making any calls**

The story of

starts with a friendship.
